The following is an examiner's statement of reasons for allowance: although the prior art teaches both the cylindrical sleeve (as in Szczukowski and Stendahl) and the annular bead (as in Forbes) there would be no motivation for the combination since any combination would be detrimental to the objectives of the reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Flemming Saether whose telephone number is 571-272-7071. The examiner can normally be reached on Monday through Friday.
